Russ:

Paul would appreciate a copy of the DCI Country Briefings as you receive them so that he may keep in touch with the schedule. He would also like to be informed when you arrange for a dry run briefing with Dr. Wheelon. He wants it to be ascertained with the briefer and with the office concerned that a responsible senior officer has been given a dry run prior to scheduling with Dr. Wheelon.

FYI. [] briefed Dr. Wheelon on Thursday afternoon and this was the first time that he had given the briefing to anyone. Of course, Dave Brandwein mentioned that [] should have informed him that the briefing was scheduled, but at the same time, suggested that there was no way for him to know that the briefing of Dr. Wheelon was planned.

New subject. Dr. Wheelon has asked Paul to keep him informed of the VIP mission briefings and to announce these, when scheduled, at the morning meeting.

New subject. [] would like to have OSI included on [] schedule when he arrives at CIA. Would you call Walt about this when you return.
